Second Annual Halloween Food Drive Kicks off October 4th at the [Newcastle Harvest Festival](#)

Port of Newcastle residents being asked to give out more than Treats again on Halloween night, 2014

It's not all about the candy this Halloween in the Port of Newcastle, Ontario. Again this October 31st, residents of our lakeside community are asked to give donations of non-perishable food, and personal care products to the Halloween Food Drive volunteers, from 5 - 8 pm.

With the assistance of over 80 local student volunteers and parent team leaders, the food drive covers the 'Port' visiting approximately 550 homes, shopping carts at the ready. Volunteers are invited to register by emailing info@specialtywealth.com, or calling the Specialty Wealth office.

Volunteers will be out in teams asking for non-perishable food and personal care items instead of treats, in hopes of stocking up the shelves of the local food bank before Christmas. Students will receive volunteer service hours, and the satisfaction of supporting a larger community need. Adult team leaders are also needed to help on the 31st.

Sponsored by Specialty Wealth & Financial, President Ron King comments about the event:

"This is our second Halloween Food Drive. We were able to raise 150 bags of donations for the Clarington East Food Bank last year. People were very generous, and knew our volunteers were coming. It's a really good experience for everyone to see what can be done with teamwork, and we hope to be able to assist other communities to set up events of this kind in the future, having a few years of experience to share now. What better time to engage our community than on Halloween, when we all expect the doorbell to ring?"

This weekend, Specialty Wealth is **kicking off the Halloween Food Drive** at the **Newcastle Harvest Festival on SATURDAY October 4th**. The town will shut down for the day and have something entertaining for the entire family to do! Good old fashioned family fun, rain or shine, visit the Newcastle Harvest Festival's facebook page at [www.facebook.com/Newcastle Harvest Festival for events and times](http://www.facebook.com/NewcastleHarvestFestival).

Stop by the office if you wish to donate to the Halloween Food Drive. Our thanks to all for your 'Support in the Port'.

From little acorns, mighty oaks grow.
